Dear Lodge Members & Co-workers:

Thank you so much for your active support of our Box Top and Soup Label Program!

With the box tops valued at 10 cents each, collecting box tops from the General Mills BOX TOP\$ FOR EDUCATION program and/or the point-based CAMPBELL'S SOUP LABELS FOR EDUCATION program represents an important boost for the Mooseheart's elementary and middle schools.

In fact, ongoing donations of box tops could raise up to \$40,000 to help meet the educational needs of the Mooseheart schoolchildren. Donations of soup labels mean that the Mooseheart schools can earn points toward new student computers, audio/visual equipment, sports equipment, and much more.

Your support of this important project is tremendously appreciated!

Sincerely,

Marilyn Janas  
Box Top & Label Coordinator

P.S. We certainly hope that you will continue collecting box tops. **Please note you no longer need to clip the entire soup label – just send us the UPC Code.** Please send them to the following address:
